## **2017 AIR FORCE LEVEL I CONFINEMENT FACILITY ANNUAL PREA REPORT**

### **Background**

The Prison Rape Elimination Act (PREA) was passed by Congress and signed into law by President George W. Bush in 2003 to prevent, detect and respond to sexual abuse and sexual harassment that occurs in confinement settings. The law was expanded by President Barack Obama in 2012 via executive order to include all federal and Department of Defense correctional facilities. The National Prison Rape Elimination Commission developed national standards which apply to adult prisons and jails, juvenile facilities, lockups and community confinement facilities.

### **Air Force Corrections System Zero-Tolerance Policy**

The Air Force Corrections System has zero tolerance towards all forms of sexual abuse and sexual harassment within its confinement facilities and is committed to preventing, detecting, and responding to such activity. Unit Commanders will immediately respond to allegations and refer sexual abuse or sexual harassment allegations for criminal investigation to the Air Force Office of Special Investigations (AFOSI). Disciplinary action will be pursued based upon the outcome of the investigations. Substantiated allegations will be referred for prosecution.

The Air Force has a designated agency-wide PREA Coordinator based at the Air Force Security Forces Center. All confinement facilities have a PREA Compliance Manager who follows the administrative lead of the PREA Coordinator in order to share information and efforts to ensure satisfactory inspection compliance. Air Force confinement facilities have established policy and guidance in accordance with the PREA standards.

**2017 AIR FORCE LEVEL I CONFINEMENT  
FACILITY ANNUAL PREA REPORT**

**Corrective Actions**

The Air Force Corrections System collects data in accordance with Code of Federal Regulation (C.F.R.) 115.87 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training. The information collected for this report will be used to identify problem areas and to take corrective action on an ongoing basis.

Although there were no allegations of sexual abuse or sexual harassment in either 2016 or 2017, The Air Force Corrections Directorate has drafted a PREA Compliance Guide in 2017 as a tool to enhance its PREA programs across all of its facilities. The compliance guide consolidates all the information needed to standup and maintain a PREA program.

J. Wegner  
Director, Air Force Corrections
